

Director's Message

Thanks to almighty Allah that LOGIX College has completed a decade of excellence. Here I want to recognize the wonderful contribution of our faculty, staff members and our affiliated partners. In LOGIX we always tried our best to provide a sound academic education to our student body. In last ten years, LOGIX College has become an even better place to pursue an education. With totally modernized facilities and a redesigned curriculum that introduces practical experiences, new academic partnerships and global initiatives, we are pointed aggressively to the future. We have established a new wing of business and accountancy "LCBA". LCBA programmes are designed to produce world-class professional managers and entrepreneurs for the business and industry in Pakistan.

Thanks to the generous scholarships and soft loans offered by LOGIX Foundation, we are able to pave the way for those among us that are financially challenged but have the potential to lead us into the future.

Faisal Razzaq Khawaja

LOGIX College celebrated 10 years of academic excellence this year and held its 11nd Annual Certificate Awarding Ceremony on November 24, 2010. The LOGIX community celebrated the graduation of distinguished students and honored its outstanding students with awards and medals for excellence in academic performances.

After this ceremony, the traditional Graduate Night Dinner was held. As a part of LOGIX 10 Years Celebrations, all former faculty and staff members were also invited to the Graduate Night Dinner.
