Approval of CBE Global (Exam) Centre by ACCA in Sargodha LOGIX Achieved another Significant Milestone

1st December 2011:

It's a great pleasure to share with you that ACCA Global has approved Sargodha's First CBE Centre at LOGIX College. It will open a new era of learning not only in the Srgodha Division but also pave a long way in the economic development of the area. It's an honor for all SARGODHIANS that such a centre, having international standards, approved in Sargodha.

We congratulate all the LOGIXians in general and to ACCA/FIA students in particular for having such type of facility in their own city.

CBE Centre at Sargodha will benefit the students who are going to other Cities for exams; CBE at LOGIX College will save their cost and time for going out of city.

Achievements by LOGIXians Medals Awarding to Achievers

Institutes are known by the quality and standards of performances. LOGIX College produces many of the brilliant students every academic year. Last year our 3 students (Kamran Munir, Muhammad Mustafa and QurbanUllah) got positions worldwide in Virtual University exams. This year Muhammad Nawaz of LOGIX College stands high above among all of Virtual University MIT students by attaining first position. We appreciate and pray for our students' body for their success in coming years.

Career Counseling day at LOGIX

3rd July 2011:

Career choice! Difficult to choose according to the aptitude: But if such a student is properly guided, then it can be an easier task. Keeping this fact in view, LOGIX College arranged a career counseling day so that the students can make right decisions at the right time. We are thankful to **Virtual University of Pakistan, SMEDA, NIU, SOFTAX and LSBF** for their support and participation. **Mr. Komil Mama Janov, Project Director LSBF** especially came from UK to attend this event.

Launching of ACCA and FIA Qualifications by LCBA

“LOGIX College for Business & Accountancy” (LCBA) successfully started classes for ACCA and FIA under supervision of highly qualified faculty. We have a distinction of having largest number of Chartered Accountants (CAs), MBAs and ACCAs. The Association of Chartered Certified Accountants (ACCA) is the world's largest and fastest growing international accountancy body, with over 404,000 students and 140,000 members in 170 countries.

ACCA offers four core qualifications:

1. Foundations in Accountancy (FIA) including CAT.
2. A Professional Qualification enabling members to reach the highest level in accountancy (ACCA).
3. A Bachelor of Science BSc (Hons) in Applied Accounting which is centered on the needs of employers for practical, professional accounting by Oxford Brookes University.
4. A Masters in Business Administration (MBA) designed to broaden business understanding and enhance strategic decision making by Oxford Brookes University.

LOGIX Foundation

Financial Aid, Scholarships for deserving and talented students

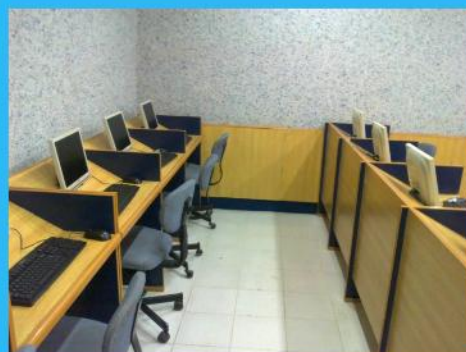

LOGIX ensures that no student should deprive of education at the Institute because of financial constraints. This society is working as non-profit organization and committed to provide excellence in education. Any applicant who qualifies the admissions test and fulfills other requirements is not refused admission because of the inability to afford the costs of the programs at the Institute.

Now most of the aid is through loans. The objective is to use the funds over and over again so that more students can benefit from this privilege. To make it easier for the graduates, they are given enough time to get settled in their careers before they are expected to start repaying.

Seminar on “Entrepreneurship as a Career Option”

These types of seminars provide multifaceted exposure to students in the area of Enterprise Development which result in employment creation, poverty reduction and overall economic development of a country. Keeping in view LOGIX College conducted a seminar on “Entrepreneurship as a Career Option” in collaboration with SMEDA. We are making it a habit to conduct such type of seminars every year for our continuing and graduated students.

A Special Lecture by Syed Bilal Qutab Anchor Person from Geo TV

Guest Speaker of the event was Syed Bilal Qutab. He is the ex. Prof. of Boston University USA and anchor person in Geo TV. He is known for his great communication skills, managerial capabilities and his knowledge and wisdom over religion and spirituality. He has trained people belonging to Srilanka, London, USA, NASA, NIKE, LUMS, COMSAT and LCCI.

Syed Bilal Qutab delivers his lecture that how our youth can develop their personality. The lecture proved to be a very interesting, thought provoking and informative lecture that made the audience speechless.

The Speaker started the talk by narrating some of the real life problems and comparison of those problems in the old times and in the modern times. Light was then intellectually thrown upon the generation gap which happens to be one of the critical problems of the current generation. Communicating in a rhythm and moving step wise towards the actual topic, he brilliantly gave real examples and those from the Muslim History and the West. He then bestowed words of wisdom upon the listeners and firmly got hold of audience's attention as he

steadily moved towards the topic of essentials and non essentials. The interactive session was loved by the audience and a huge gesture of applause was given to the respectable speaker whose wisdom and convincing power was above board.
