LOGIXians "Education for All" Seminars

LOGIX College and LOGIX Foundation organized a seminar "education for all" in Govt. Degree College for boys Miani, Kotmoman, Baghatanwala..... LOGIX ensures that no student is deprived of education at the Institute because of financial constraints. For deserving students we have a society "LOGIX Foundation" to help them by giving financial aid and soft loans. This society is working as non-profit organization and committed to providing excellence in education.

The Faculty of LOGIX launched its slogan "Education for All" at its Open Day, held on 1st Feb 2013, in Miani. On behalf of the LOGIX Team, Mr. Ateequr Rehman stated: "This is the first activity to be conducted by the Faculty of LOGIX in this year. The aim of this activity is to empower the relations between the community, teachers, as well as the parents of students. LOGIX team spoke about the undergraduate, graduate and ACCA programs of LOGIX.

Strengthening Your Financial Skill

In LOGIX College, SME Business Support Fund organized a two day workshop on "Strengthening Your Financial Skill" in collaboration with IFC (World Bank) and Sargodha Chamber of Commerce and Industry. The program focuses on micro entrepreneurs working in different sectors including Handicrafts (Sillanwali), Pulses, Electrical Fittings, Citrus etc. The program follows Business Edge training methodology which is an innovation of IFC and is a world-class proprietary training solution designed to improve management capacity and business performance. Used by more than 150, 000 learners across 30 countries, Business Edge is proven to have a strong positive impact on workplace performance, employability, bankability, revenues, investment, and job creation.

CEO BSF Visit to LOGIX

Pakistan is passing through tough times and the economy is slow, resulting in fewer job opportunities. Perhaps the only way is to provide an environment that encourages youth to consider an entrepreneurial career instead of competing for scarce jobs. In this context Mr. Syed Saquib Mohyuddin, CEO of BSF (Ministry of Finance) visited LOGIX on 13th Nov, 2012. LOGIX is already working on the project to establish a Center for Entrepreneurship and Leadership (CEL).

BDC Head's IFC (A member of World Bank Group) Visit to LOGIX

Asim Ali Faiz Chishti (Business Development Coordinator for Pakistan) from IFC which is a member of World Bank Group visited LOGIX College and appreciated our efforts to promote education in the area.

LOGIX Village Computer Literacy Program

As a social responsibility LOGIX Foundation designed a grand project called 'Village Computer Literacy Program' (VCLP) with the sole noble intention of imparting free and needed computer education to the poor and interested teachers and students of the underprivileged area. The Govt. elementary School Miani is a mid to large size school comprising of approximately 500 students. Six computers from Mr. Khawaja Naseem Iqbal Saigol were donated to this school which set-up a computer room. LOGIX IT Team visited that school and imparted basic computer training to almost thirty teachers of this village. They imparted Practical knowledge (Microsoft Office software packages like Word, Excel, PowerPoint, and MS Paint) and Theoretical knowledge (basics of computer system, its architecture, numbering system etc.). The main emphasis was for the teachers to have realized the knowledge of computer system and its application which in turn would help them to implement computer studies in their schools.

LOGIXians Celebrate Eid Miladul Nabi (PBUH)

EidMilad-un-Nabi (the birthday of Holy Prophet Hazrat Muhammad, Peace Be Upon Him) was celebrated with religious fervor and enthusiasm in LOGIX College. In the honor of this day, LOGIX College arranged a ceremony regarding EidMilad-un-Nabi (PBUH) here in Sargodha on Thursday. The grand event started off with verses of the Holy Quran recited by a student, after which the religious event was embellished with a Hamd. After that groups or individuals came on stage to recite well-rehearsed naats. While Faisal Razzaq Khawaja (Director LOGIX) covers the different aspects of Muhammad (Peace be upon him)'s personality and he said that the life of the great prophet is an ideal for whole of the Ummah.

Annual Awards Ceremony

LOGIX Celebrates 12 Years of Academic Excellence

LOGIX College is celebrating 12 years of academic excellence this year and held its 13th Annual Awards Ceremony on January 01, 2013. The LOGIX community celebrated the graduation of 200 students and honored her outstanding students with awards and medals for excellence in academic performances.

As a part of LOGIX 12 Years Celebrations, all former faculty and staff members were also invited to the Graduate Night Dinner. Dr. Sadaqat Mehdi, Registrar Virtual University of Pakistan was the chief guest of this ceremony. He congratulated all the student body on their success. He distributed medals, and awards among the position holders. He appreciated the efforts made by LOGIX College for her struggle towards quality education. Faisal Razzaq Khawaja, Director LOGIX College said that we always tried our best to provide a sound academic education & also recognize the wonderful contributions made by LOGIX affiliated Partners.

Registrar VU, Deputy Director Colleges, DG Nadra, CEO Softax distributing certificates among students

Rotaract Club of LOGIXian arranged a visit for SOS Village

The Rotaract Club of LOGIXians arranged a visit of Mr. Abrar ul Haq Chairman Sahara for Life trust to SOS Village Sargodha. His visit included visits to the Children's Village, the School and Youth Home. The stay in SOS was festive with the children of the Children's Village. Rotaract Club of LOGIXians will continue its support for these orphan and neglected children under its project of "Groom the Child".

ORANGE GALA

An Orange Gala held on 11th Feb, 2013 at LOGIX. The students heartily participated. The zeal and zest of the event was expressed through Orange exhibition. Oranges of various types were displayed.

The students of ACCA had arranged for a juice corner to entertain the visitors with fresh orange juice. The students added to the fun by singing melodious songs. There were games to make students participate and enjoy the event. On the whole it was a wholesome event to enjoy the changing weather, as we are progressing towards spring.
